Narrative:

On 12/03/16, at 0110 hours, I responded to 206 Main Street for a physical fight. When I arrived on scene, I observed multiple staff members from Mr. Mike's Pizza subduing a male later identified as Walker Stevens (DOB 11/01/95). I then took over and put Stevens' hand behind his back. As I reached for my handcuffs with my right hand, Stevens pulled his hands out of my hand and planted them on the ground. He pushed off of the ground and attempted to stand up. I used my right forearm and pushed him back to the ground. I advised him to stop resisting and placed him in handcuffs. I stood him up and walked him to my cruiser. He advised me he did not understand why he was assaulted and pushed out of the bar. He admitted to fighting with staff while being escorted out.

I spoke with Alexander Macdowell, who works at Mr. Mike's Pizza as a security guard. He agreed to give me a sworn recorded statement. He advised he observed staff attempting to escort Stevens out of Sidebar (bar attached to Mr. Mike's) when he began assisting because Stevens was resisting. Stevens punched Macdowell multiple times causing him pain. They pinned him to the ground until I arrived on scene.
